

RBC i360 is coming this summer!

Our new advisor portal, RBC i360 is right around the corner. Built from the ground up, it has a modern and fast interface with exclusive features designed to enhance your workflow.

What you need to know

We're taking a strategic approach, with RBC i360 releasing in three phases to ensure every feature lands well.

- Phase 1 (July – August): Core features such as our eApps and our new RBC Illustrations Online
- Phase 2 (August - September): Reporting features
- Phase 3 (October): Full client and policy data

For the first phase, we will invite new users to enrol each week. Keep an eye out for your Phase 1 email invitation. **Enrol within 10 days of receiving it and you could win an Ember® Mug, wireless charger, and more!**

Sneak peek: What's coming in the first phase of RBC i360

- Access to [our new RBC Illustrations Online](#): Featuring rates that are always current. No downloads required.
- Access to our full suite of **RBC Insurance® eApplications** with the ability for your administration staff to complete sections of the application for you.
- **Self-serve password resets** and more!

This marks the beginning of a faster, more intuitive experience built around how you work. We appreciate your partnership as we continue to enhance your digital experiences with us.
